The City of Florissant offers several amenities to the citizens of Florissant, which has a population of 52,145 according to the United States Census Bureau's 2010 figures. Several of the amenities also serve the citizens of North St. Louis County and North St. Louis City. The City of Florissant has several business districts, shopping centers, restaurants, department stores, and grocery stores which serve not only the residents of Florissant, but the surrounding areas as well. A number of the surrounding communities do not have department stores and grocery stores, and those residents drive to Florissant to get those services. The City of Florissant also has numerous arterial roadways, which include county, state roads as well as a portion of an interstate, which provides access and travel routes for our citizens and the citizens of the surrounding communities. The majority of the traffic stops that the Florissant Police Department makes are on these arterial roadways. Florissant sees a higher ratio of the visiting population due to the significantly higher percentages of African-American citizens living in adjacent communities such as Black Jack, Dellwood, Ferguson, Berkeley, and Spanish Lake. The Ferguson-Florissant and Hazelwood School Districts, which both have schools in the City of Florissant, have a student ratio of 87% African American. When all of the above factors are taken into consideration, the traffic stops reflected in our annual report are truly representative of the motoring population that travels the City of Florissant.
